**From Chelmsford**

Keep straight on into the village and turn right into Station Road. There is a sign for 'Station and Terling' on left. Keep on this road over the A12, over the railway bridge and continue for about 1.5 miles.

You will pass Termitts Farm on your right and the next right turn is for Whitelands Business Centre.

As you come down the drive you will see to the right hand side of the building a brick archway. It is marked Unit 5 & 6 on the wall and there is a brass LMC name plate also on the wall.

Once parked please come through the archway towards the back of the house. Side door to your left also with a name plate. Up the stairs and Unit 5 is to your left. There is a plate on the door.

Please take care to 'park pretty'. The WI are our fellow tenants and they have a lot of meetings themselves.
