

Cameron Fund

The GPs' own charity

24 January 2023

For the attention of all LMC Chairs in Cambridgeshire, Bedfordshire, Hertfordshire, Norfolk, Suffolk and Essex.

Dear LMC Chair

RE: MEMBERSHIP OF THE COUNCIL OF MANAGEMENT

The fifty-third Annual General Meeting of the Cameron Fund will be held on 4 May 2023 at BMA House, Tavistock Square, London, WC1H 9JP. At the AGM, Dr Oliver Starr, the member of the Council of Management who jointly represents Cambridgeshire, Bedfordshire, Hertfordshire, Norfolk, Suffolk and Essex, will be retiring by rotation and will not be standing for re-election.

To be eligible for nomination GPs must already be registered members of the Cameron Fund and nominations should comprise a letter or email signed by the nominee indicating his/her willingness to stand for election. The letter/email should arrive at the Registered Office no later than Friday 17 February.

If two or more candidates stand for election, a ballot will be held, and a ballot paper will be sent to all members in the designated area with instructions about the timescale. If there should be a ballot, the result will be announced at the Annual General Meeting.

Membership is open to all registered or formerly registered medical practitioners, who are, or have been, resident in the United Kingdom, the Isle of Man or the Channel Islands and who have performed or provided NHS Primary Medical Services or General Practitioner services to the armed forces in the United Kingdom.

The process is very simple and just involves completing the attached membership form. There is no fee for membership, although some members choose to give a regular donation. I attach a Standing Order form and Gift Aid form.

We also have a new class of Associate Membership open to those who are not registered GPs but work in the GP profession if any of your LMC colleagues are interested.

Yours sincerely

Dr Gary Calver
Chairman
