About the Scheme

The Mid and South Essex Training Hub is excited to announce the launch of our 'Thrive' Fellowship. This innovative new programme is designed to support GPs in their first two years of practice working within mid and south Essex.

The Fellowship consists of six key elements, offering a holistic and supportive approach to the professional development of new-to-practice GPs. It aims to enhance your knowledge and skills, foster a strong sense of belonging within your practice, PCN, and the broader MSE system, and prepare you for a fulfilling and long-term career in mid and south Essex.

The Six Key Elements

- NB Medical license for 12 months
- Medics Money Business for GPs course
- Membership of the MSE Leadership Faculty
- Local GP Peer Mentoring Service
- Membership of First 5 groups and initiatives
- Peer Support

Eligibility

The MSE Thrive Fellowship is only open to GPs in their first 2 years post qualification. To be eligible for the programme you must be;

- A newly qualified GP with a CCT date after 01/08/2023
- A GP Partner or Salaried GP in a MSE practice. Applications will be considered from those who have been unable to secure a substantive role in MSE but who have shown considerable commitment to working in mid and south Essex.
- Committed to developing your career and remaining in the local area

Exclusions

- Previous funding for educational opportunity (previous stage 2 fellowship) or received funding through the MSE Portfolio development scheme.
- Individuals who have previously been funded for the Medics Money Partnership course

Application Process

Application timeline

- The Thrive Fellowship is open to applications from 19th December 2024
- We will process and review applications as they are submitted and will notify applicants of the outcome within 5 days of the submission date.
